CONGRATULATIONS

Our Practice Manager, Chloe, has given birth to a beautiful baby girl! You may see her in the surgery in the coming months when she pays us a visit!

EASTER/ANZAC HOURS

Our practice will close over the Easter weekend, please see below for our opening times:

19th April, Good Friday – CLOSED

20th April, Easter Saturday – CLOSED

22nd April, Easter Monday – CLOSED

25th April, Anzac Day -- CLOSED

FLU VACCINES 2019

We should be receiving government funded flu vaccines from around the 1st week of April, and will be running regular flu clinics at the surgery once we have the vaccines on hand.

RECOVERY AFTER DISASTER

NQ Connect are offering free counselling due to the flood disaster that Townsville experienced recently. If you feel like you need some extra support, you can call 24/7 on 1300 059 625.

AVIATION MEDICALS

Please be advised that the cost of an Aviation Medical has increased to \$220. Before you make your appointment with Dr. Carr, you MUST have fully completed your online application with CASA, paid your CASA fee and received your ARN number which you use to book an appointment with us. We cannot proceed with your medical until all this has been completed, and may have to reschedule your appointment until it has been actioned.

PRIVATE PRACTICE FEES

We would just like to remind our patients that we are a Private Billing Practice, so if your usual Doctor is unavailable, and you see another of our Doctors, please don't assume that because you are usually bulk billed, that you will be again, even if you hold a pension card.

YELLOW FEVER VACCINES

Just to remind you that we are an accredited Yellow Fever vaccine provider.

YES, WE DO SKIN CHECKS!
