

OCTOBER 2019 EDITION

TASH, our Nurse, has just come back from a Holiday in Bali. Be sure to ask her how her holiday went ☺

MY MARATHON

Our Support Team are participating in MyMarathon to raise money for the Heart Foundation.

We all have to walk, run or jog a total of 42.2kms in the month of October.

If you could spare some change to help us with our fundraising and encourage us to keep going, please put into the cup on the counter and we will deposit it under funds for BGMC.

If you would like to make your own donation, please see Chloe to find out how.

AVIATION MEDICALS

Dr Martin Carr does Aviation Medicals.

To make this a quick and painless exercise, please ensure you have registered with CASA and paid to them your application fee of \$78.00.

We will need your ARN number when booking, so please have that handy.

The appointments take about 1 hour to complete and cost \$220.00 including GST.

PRACTICE FEES

The time has come that we feel the need to remind everyone that WE ARE NOT A BULK BILLING PRACTICE.

We are a private billing practice. This includes for children, concession card holders and aged pensioners.

If you have previously been bulk billed for your appointments, please do not assume this will always be the case, and especially if you are not able to get in with your regular Doctor.

Dr Vollmerhause and Dr O'Reilly have specific Bulk Bill times, so if you are usually BB by those Doctors, please make sure you enquire about these times, because if you are not booked in during then, you will not be bulk billed.

CHANGE OF ONLINE BOOKINGS

Soon we will be changing our online booking system from HealthEngine to HotDoc. This will mean you will need to download a new App to do online bookings. It is a easy system to use, and gives us more options to better book your appointments with your GP.

If you have any issues, please ask Reception for assistance.

When we have made the change, you will see notices on our FB page, website and around the Practice.

YES, WE DO SKIN CHECKS!
